

BE A SANTA'S HELPER - MAKE A DIFFERENCE!

Many adults with developmental disabilities are on a fixed income - after paying for housing, transportation, medications, and food, they only have about \$66 left for the entire month! Operation Santa is our way of helping these adults (age 18 & up) have a great Christmas.

We need your help! Please consider adopting a person(s) to purchase for or make a monetary donation to this program and we will do the shopping. Complete & return the form below regarding your contribution. If you choose to adopt, we will provide your list as soon as possible.

The Arc of Gaston County works to ensure all people with developmental disabilities have the chance to experience social, educational, health & wellness, and enriching opportunities in our community.
