

WE NEED YOUR HELP

The Arc's **OPERATION SANTA** program helps adults in our community to have a meaningful Christmas and we have a **BIG list!**

Many adults with developmental disabilities in our community only have about \$66 left for the entire month after paying for housing, transportation, medication, and food! These individuals need much of the same things we all do, but can't afford them. With your help, we can brighten their holiday!

HELPING IS EASY.....

- Adopt an adult to purchase for
- Make a \$ donation to sponsor a wish list
- Donate/Drop off frequently requested items

(contact The Arc for details)
