## APPLICATION

The following questions are used to get a general idea of your child's functioning level in each area. Although our goal is to challenge your child in each area, the overall goal of Kamp is fun. For this reason, individual expectations will be adjusted to allow your child to participate in activities in a fun way. Remember that generalizing a previously mastered skill to the community is the ultimate goal of learning a skill, not being able to perform the skill on worksheets.

I, \_\_\_\_\_ the \_\_\_\_\_

\_\_\_\_\_, age \_\_\_\_\_  
*Child's Name Child's Age*

give permission to the staff of Kamp Kaleidoscope to provide care for my child(ren) this summer. I have been informed of the scope of the Kamp Kaleidoscope summer program. I am aware of my responsibilities to drop my child(ren) off no earlier than 8:50 am, pick up on time at 3 pm, and send them prepared to play safely (appropriate footwear and clothing, sunscreen). I understand that my child(ren) will participate in a variety of supervised activities including exercise/movement, social & behavioral skill building, outdoor play, health & nutrition, and science & education while in a group setting with a 1:4 staff-to-child ratio. I understand that staff may use verbal cues to address my child(ren)'s behavior if it becomes unruly; and should the behavior escalate where my child or others are in serious, immediate danger, staff will remove them from the group and take them to a separate room/area to safely deescalate. If my child(ren) has to be removed from the group due to behavior challenges, it will be documented and shared with me within 24 hours. I understand that if my child(ren) is unable to behave safely after staff have tried to intervene and deescalate, I may be asked to pick up my child(ren) from camp.

## ***RULES/GUIDELINES/AGREEMENT*** (continued)

### **EXPECTATIONS FOR BEHAVIOR AND DISCIPLINARY POLICIES**

Kamp Kaleidoscope staff have a responsibility to make each day a safe, secure, and fun experience for all campers. They will encourage and engage positive behavior and will work to the best of their ability to de-escalate problem situations with the hopes of providing support for campers to build skills in managing their own behaviors. Kamp Kaleidoscope staff understand that each camper presents their own unique needs and will do their best to accommodate these needs while maintaining fairness. While Kamp Kaleidoscope offers a high staff-to participant ratio, we are unable to provide constant 1:1 support to any one participant and need to consider the needs of the group as a whole when addressing behavior. Parents/Guardians have a responsibility to provide copies of their camper's IEP and Behavior Plan so that staff can help to maintain strategies for behavior already established. We want to make all camper experiences a positive one.

#### **What will happen when the Behavior Policy is violated?**

If an incident occurs where a child conducts themselves in such a manner which jeopardizes their safety, the physical or emotional safety of others:

1. Minor Violation (*hard time following directions, non-threatening touch to others*):

A staff member will address the camper with positive reinforcement, redirect the behavior, remove camper and go to a separate area/room if needed, and will re-engage the camper with the activity once settled. Staff will document incident and verbally advise Parents/Caregiver at pick-up time.

2. Major Violation (*uncooperative, repeated redirection, aggressive touch to others*):

A staff member will address the camper with a positive but firm tone, ensure the other camper/staff/person isn't hurt, remove camper and go to separate area/room, redirect the behavior, and re-engage camper with activity once settled. Staff will document the incident and have the Parent/Caregiver sign the behavior/incident report. (depending on the severity of the behavior, the parent/caregiver may be called to pick up their camper within the hour).

## ***RULES/GUIDELINES/AGREEMENT*** (continued)

### **EXPECTATIONS FOR BEHAVIOR AND DISCIPLINARY POLICIES** (continued)

**3. Severe Violation** (*disruptive behavior, harmful touch/injury to others, damage to property*):

A staff member will immediately remove camper from area to a separate room and address the behavior directly according to instructions from application/IEP/Behavior plan. Another staff will assess injury or damage and proceed accordingly. The incident will be documented and the parent/caregiver will be contacted immediately to pick up their child from camp. The child may be suspended for the following day or remainder of the week and/or lose privileges (ex/ field trips) depending on the severity of the incident. The Kamp Director, staff involved in incident and The Director/Board Member for The Arc of Gaston County will ask to meet with the child and parent to discuss the behavior and how we can work together to improve. Parent/Caregiver will be asked to sign a behavior/incident report.

**4. Critical Violation** (*non responsive to redirection, continuously disruptive, inconsolable, continues to inflict harmful touch/injury to others, damage to property*):

This will follow the same procedure as above in Severe Violation. In addition, the camper will be suspended from camp for a full week from the day of the incident. The Kamp Director, staff involved, Arc Director, and parent/caregiver will meet to discuss the behavior, if there are any options for improvement, and if the camper will be allowed to return to camp. Behavior/Incident report will be signed by all parties.

**\*Please Note:** We reserve the right at any time to dismiss your child from the program immediately if we deem there is unsafe placement due to environment, physical, emotional, or other harm to themselves, other children, and staff. The above guidelines have been read and discussed.
